

Here at Herrco Cosmetics we take learning and development as a high priority, especially in building the capability of our future managers and leaders. A number of staff have successfully completed their first ILM qualification in Leadership and Management having worked really hard, and already 2 of them have been promoted to new exciting roles!

ILM
QUALIFICATION
leadership and
management

Over 300 hours of specialised English Language lessons have been provided in partnership with an international language school to 20 people from the Herrco Cosmetics team who have been delighted to have some expert help to develop their spoken and written English where it is a second language. People are progressing to higher levels, gaining certificates and some ready for a good score in the IELTS exams!
