

Finance Manager

Herrco Cosmetics

have an exciting opportunity for a Finance Manager to join our team based in **Halesworth, Suffolk**

We are offering a competitive salary

The Job:

To develop and deliver the financial function of Herrco Cosmetics encompassing overall control and responsibility for all financial aspects of the company. Provide insight and analysis to the Directors and Senior Management Team, to optimise financial performance and strategic position. Implement recommendations based on these findings with the most favourable profit outcomes.

Provide further enhancements to the IT systems and processes to improve management reporting and financial planning and analysis in a fast paced, thriving environment. Manage and develop the finance team (2 people) ensuring all financial functions are met to the highest standards.

Control and ensure that all legal and best practice reporting functions are completed. Providing insight into longer term vision for the future with big aspirations for company growth whilst simultaneously providing great attention to detail and ensuring progress is made.

Herrco Cosmetics...

...are an innovative UK based cosmetics manufacturer, specialising in bespoke product development and formulation. For over two decades, we have been creating some of the most well-known cosmetic products in the UK, and year on year, our formulations are winning increasingly prestigious awards in top cosmetics ceremonies.

Manufacturing cosmetics and personal care products spanning skin care, bath, body, and aromatherapy products, as well as more niche markets such as mother & baby, Sun Protection factors and organics, Herrco is a thriving family business whose company philosophy is firmly rooted in providing flexible innovative solutions for our clients' production criteria.

We are now looking for a talented individual to come and join our team. We recruit people who believe in the things we do, people who are motivated, hardworking, and have a 'can do, will do attitude'.

Essential Skills & Experiences:

- Qualified member of an accountancy body as a chartered member (CIMA/ACCA etc)
- Experience in a financial & people management role and ideally experience in a manufacturing/production environment
- High attention to detail with ability to summarise and draw conclusions/recommendations from data
- Ability to engage and influence people
- Excellent standard of skills in IT systems, MS Office Packages and use of Financial Systems
- Clear and concise communicator, and a confident presenter
- Personable and able to build a rapport with colleagues and Directors
- Organising, planning, and problem-solving skills
