

# Head of Supply Chain

**Herrco Cosmetics** have a new opportunity to join our team: **Head of Supply Chain**

We are offering a competitive salary

## Herrco Cosmetics...

...is an innovative UK based cosmetics manufacturer, specialising in bespoke product development and formulation. For over two decades, we have been creating some of the most well-known cosmetic products in the UK, and year on year, our formulations are winning increasingly prestigious awards in top cosmetics ceremonies.

Manufacturing cosmetics and personal care products spanning skin care, bath, body, and aromatherapy products, as well as more niche markets such as mother & baby, Sun Protection factors and organics. Herrco is a thriving family business whose company philosophy is firmly rooted in providing flexible innovative solutions for our clients' production criteria.

We are now looking for a talented individual to come and join our team. We recruit people who believe in the things we do, people who are motivated, hardworking, and have a 'can do, will do attitude'.

## Head of Supply Chain Job Duties:

- Part of the Senior Management Team
- Accountable for ensuring customer expectations for manufacturing and delivery of goods through effective order fulfilment
- Ensure the flow of production from bulk manufacturing to filling production is at optimum efficiency
- Streamlining systems and process to reduce time to turn orders into finished products
- Ensure the monthly master schedule is set and a forecast is provided
- Develop strategic supplier partnerships alongside reviewing supplier contracts and negotiation of terms
- Line manage the planning, purchasing and warehouse teams ensuring high performance and employee engagement
- Setting and implementing the end to end supply chain strategy

## Essential Skills & Experiences:

- Demonstrable knowledge and experience in a Supply Chain role with high levels of achievement and tangible improvements
- Proven ability to lead and manage complex supply chain and contractual arrangements
- Strong commercial and business acumen
- Senior leadership and people management experience
- Excellent standard of skills in IT systems
- Clear & concise communicator
- Energy drive and flexible approach to working in a fast paced business
