

Packaging Engineer

Herrco Cosmetics have a new exciting opportunity for a **Packaging Engineer** to join our team based in **Halesworth, Suffolk**

We are offering a competitive salary range circa **£30,000** per annum

Herrco Cosmetics...

...are an innovative UK based cosmetics manufacturer, specialising in bespoke product development and formulation. For over two decades, we have been creating some of the most well-known cosmetic products in the UK, and year on year, our formulations are winning increasingly prestigious awards in top cosmetics ceremonies.

Manufacturing cosmetics and personal care products spanning skin care, bath, body, and aromatherapy products, as well as more niche markets such as mother & baby, Sun Protection factors and organics, Herrco is a thriving family business whose company philosophy is firmly rooted in providing flexible innovative solutions for our clients' production criteria.

We are now looking for talented individuals to come and join our team. We recruit people who believe in the things we do, people who are motivated, hardworking, and have a 'can do, will do attitude'.

Packaging Engineer Job Duties:

- Provide knowledge and expertise to teams as the primary source of packing technology
- Embedding technical knowledge within the project management cycle of new products at an early stage
- Ensuring trends and innovation is kept up to date and all packaging solutions are effective and appropriate
- Design, develop, validate and test the implementation of packaging materials and methods
- Keep an overview of compatibility testing

Essential Requirements:

- Qualification in packaging technology
- Proven and demonstrable experience in a commercial environment
- High attention to detail with flair for design
- Project management experience
- Excellent IT skills and relationship building

How to Apply:

Please email HR@herrco.co.uk with your CV and Cover Letter.
